

## Grocery list Page GUI Layout

The screenshot shows a grocery list application with the following interface elements:

- Header:** "Jareth.dodson@oit.edu" and a user icon.
- Top Right:** "Settings, About, logout, exit" with an arrow pointing to the right.
- Toolbar:** "Grocery Item" and "Add".
- Table:** A grid for managing grocery items.

Check Off	Ingredient	Quantity
<input checked="" type="checkbox"/>	Apple	3
<input type="checkbox"/>	Carrot	2
<input type="checkbox"/>	1lb Ground Beef	1
<input checked="" type="checkbox"/>	Jelly ranchers	40
<input type="checkbox"/>	Eggs	12
- Quantity Control:** Up and down arrows next to the quantity column header, with a callout "Quantity" pointing to them.
- Bottom Navigation:** "Pantry", "Recipe Finder", and "Grocery List".
- Bottom Icons:** Left arrow, circle, and three horizontal lines.
