

Pantry Page GUI Layout

The screenshot shows a grocery list application with the following interface elements:

- Top Bar:** Displays the email address "Jareth.dodson@oit.edu" and a user icon.
- Header:** Contains a "Settings" button and links for "About", "logout", and "exit".
- Input Fields:** A "Ingredient name" input field and an "Add" button.
- Table:** A list of ingredients with their quantities:

Ingredient	Quantity
Apple	3
Carrot	2
1lb Ground Beef	1
Jolly ranchers	40
Eggs	12
- Quantity Control:** A vertical column on the right side of the table includes:
 - Up and down arrow buttons for adjusting quantities.
 - A horizontal line with three dots in the center.
 - A small downward-pointing arrow at the bottom.A callout box labeled "Quantity" points to the top arrow button.
- Bottom Navigation:** Buttons for "Pantry", "Recipe Finder", and "Grocery List".
- Bottom Icons:** A left arrow, a circular refresh icon, and a menu icon.
